

UNIFORM CODE

It is expected that the Brixham College uniform will instil pride, and support positive behaviour and discipline. It will encourage identity with, and support for, the College ethos and ensure students from all backgrounds feel welcome. The uniform will protect students from social pressures to dress in a particular way and nurture cohesion to promote good relationships between different groups of students.

Students at Brixham College are expected to wear correct uniform at all times while on College site or while representing the College off site and at events. Between lessons or when leaving a classroom on an errand or toilet break blazers must be worn. During lessons the students can remove their blazers, however ties may only be removed with permission of the Principal usually due to extreme weather conditions or for Health and Safety reasons while engaged in particular activities.

We are very keen for students to wear our distinctive College uniform and welcome the support of parents in this matter. Where students are in breach of the College Uniform Code we will take action which in the first instance will be to send students home to address the breach of uniform. Parents will be notified that this action is being taken by the College and will be recorded as an authorised absence. Persistent breaches of uniform will be regarded as defiance of College rules. This cause of action is in line with present guidance from the Department of Education.

Applications can be made to the College for financial assistance by contacting the Student Support Office.
